ICDQM-2020, 11th INTERNATIONAL DQM CONFERENCE

The DQM Research Center invite you to participate in a 11th DQM International Conference on Life Cycle Engineering and Management (ICDQM-2020) on the conference topics: Quality Engineering, Reliability Engineering, Industrial Engineering, Systems Engineering, Military Engineering, Energy Efficiency and Lean Production. Papers in the above topics may relate to methods, techniques, methodologies and concepts. The conference will be organized to plenary lectures, and conference topics sections. Authors are invited to submit English (or Russian) language Microsoft Word text of their papers by August 3rd, 2020. Submitted papers will be considered for acceptance as a full paper (6 pages maximum, including paper title, authors name, authors organization, paper summary and paper manuscript), 11 point size Times New Roman font, single space, normal, margins: left 4 cm, right 4 cm, top 5 cm, bottom 5 cm, without header and footer, without paragraphs. Submissions of the papers on email: dqmcenter@mts.rs The papers will be considered by the Scientific Programme Committee and will be included into the conference proceedings in English (or Russian) language. International Scientific Committee Chair: Professor Ljubisa Papic, director and founder of the DQM Research Center, Prijevor, Serbia. Scientific Program Committee Co-Chair: Dr Adarsh Anand, Department of Operational Research, Faculty of Mathematical Sciences, University of Delhi, Delhi, India. The ICDQM-2020 will consist of plenary lectures and parallel sessions with deliberate opportunities for relaxed professional interaction. The ICDQM-2020 Proceedings will be published in hard copy and CD by the DQM Research Center.

We look forward to meeting you in Prijevor in September 2020.
